SORRY ABOUT THIS, BUT **SOMEBODY** HAS
TO BE THE PATRON SAINT OF POLITICIANS.

Within the Word - Faithful Citizenship

Friends, this coming Tuesday will be a vote for the century. I cannot emphasize it enough the incredible moment we are living in now. Our American way of life is at a precipice, as everything is on the brink of change. As Catholics, we must remember to exercise the right to vote and do so with a well-formed conscience; and if you're still undecided after the past few weeks of all the craziness, remember voting for life is reason enough. GOD created all things to live...He never gave man the right to kill. He even commanded His people and said, "you shall not Kill."

We as Catholics are of the 'Universal Party.' Someone cornered me two weeks ago before I left for South Dakota and asked if I was a Democrat or a Republican, because I didn't mention the intrinsic evil of abortion. I admitted that it was intentional, because I was going to preach about it this weekend; & people don't realize the 'other' very intrinsic evils out there; & that next to slavery, sex trafficking & euthanasia, is the incredible evil of abortion. There are several dozen more in moral theology. Sadly, society has become complacent with intrinsic evils, & some simply don't care. Friends, it's my responsibility to tell you the Truth.

I admitted I was not affiliated with any secular party, for good reason, and that I was of the Universal Party. I then said, I refrain from politicizing our faith. It is not a platform to sway people to vote how I think, but to teach people their faith and to vote well. As Catholics, we must not forget to vote our consciences and protect the values and morals we hold dear; we believe in faith, hope and love. We believe in our Creed, the Trinity and most especially we believe in the right to Life...

Please pray for our nation and make the most important vote of our time this coming Tuesday, it is our duty to protect those who can't protect themselves. When you protect Life, God protects yours...Be faithful citizens Nov 3rd and vote! Vote for Life!

Remembering the Dearly Departed

The saints are people who said "yes" to God's plan for them and are now in Heaven. Some were children and young people, some were mothers and fathers, some were monks, priests or nuns, and some were single people. On All Saints' Day we praise and thank God for what He has done for us through these holy people. We ask the saints to pray for us that we might love our God and neighbor the way Jesus taught us. On All Souls' Day, we pray for all people who have died. We ask God to bring them to the joyful banquet of Heaven to be with God and the saints forever.
