Dear people of God,

Joyful greetings from Fr Chinnappan from the Roman Catholic Diocese of Vellore, India. But now I am serving as associate pastor at Mauston here in our diocese of La Crosse for the last three months.

I'm really happy to share some details of my native diocese with you on this weekend. (July 24/25, 2021) for the mission appeal. Our diocese was started by Salesians in the year 1952 carving out a portion from the Archdiocese of Madras-Mylapore. Further in 1969, few parishes from the Archdiocese of Pondicherry-Cuddalore were attached to this Diocese. It comprises of two civil districts namely Vellore and Tiruvannamalai. There are 84 parishes having Catholic population of 1, 50,000. By the way my beloved bishop Most. Rev. Dr. Sounder Raju Sdb passed away on March 20, 2020 during this pandemic time. The present Administrator is Very. Rev Msgr. John Robert. The total Number of active priests are 148.

Can you imagine a land where 1.6% Christians put their faith into action through a challenging ministry among 82% Hindus? Can you imagine a land where many of your privileges are denied because you are Christian? But with all these my Diocese Vellore, does a wonderful ministry of proclaiming the good news and the works of charity such as running a school for the poor, building mission and ministry facilities, leading children's outreach programs, responding to natural disasters, and reaching out to individual and communities through Christian service. Our diocesan administrator Very. Mgr. I. John Robert struggles to accomplish all these projects successfully. He even struggles to pay medical bills to the pastors affected by Covid-19 and other sickness.

But today I am here asking your financial help to build a rectory in a new parish which was erected in the year 2018 and do some relief works to the people affected economically because Covid19. Many people are without job now. The situation there is No work and no income. There is no facility to work from homes. Many people live rural areas. The covid situation in my state is very bad now. The total cost is around 35000 dollars. I am not asking you to give this entire amount especially in this difficult situation. Four priests are working in our Lacrosse diocese. All four will be going to four different parishes. I request you to donate what you could do. If you would like to be part of this mission through your financial support, please send a check to your parish name "St. Mary's church" and mention as "Mission Coop" in memo column.

I also request your support most importantly by your prayer. Without prayer, nothing will happen especially in this pandemic times.

Thank you very much for your kindness and generosity to my Church in Vellore, India. Your contributions will continue to strengthen our ministerial initiatives and evangelization efforts.

God bless you all!

Fr. Chinnappan

Do you have some spare time? Has someone in your family benefited by ADRC? Why not consider becoming a driver for those who can't get to medical appointments. If you can help, please call 608-847-9371.

Thank you and please use and enjoy the books, but try to remember to put them back after Mass.
