*Then Jesus took the loaves, gave thanks,
and distributed them to those who were reclining,
and also as much of the fish as they wanted.
When they had had their fill, he said to his disciples,
“Gather the fragments left over,
so that nothing will be wasted.”*

*So they collected them,
and filled twelve wicker baskets with fragments
from the five barley loaves
that had been more than they could eat.*

*When the people saw the sign he had done, they said,
“This is truly the Prophet, the one who is to come into the
world.”*

Dear people of God,

There are many things in this world that we cannot lay of forever for example, the riches, promotion, wealth, health, friends, relationships, and etc. all of these will one day soon fade away or change or die. There is just one thing which we can most assuredly hold on and

claim to have with us until we die, and that thing is Jesus, our God

For this God is our God for ever and ever, and He will be our guide even unto death. What an assurance a godly person has in Christ. Things change, but He will not change. The scriptures comfort us by telling us that God will never leave us nor forsake us. He will never leave us alone in the storms of life or in the happiness of life. He will be with us because that is His promise. Before he ascended back to heaven. He said that He will be with us until the end of the world. We cannot see Him, but can definitely feel Him or His presence with us. He speaks to us provided we hear His voice. He will instruct us and train us in the way that we should go. He is just like a guide directing us in every new and unknown situations that pass our life. He is our God forever

Do not hesitate to give your life to Him. Let us surrender our lives completely to Him and say to Him to be our guide until we fade away from our earthly home. A tour guide never gives wrong information or assistance to any traveler. In the same way, Jesus our guide, will ensure that you complete your journey here on earth victoriously with assistance and information from His word. Make Him your guide today.

Looking Forward to CCD

Our CCD program at St. Mary's needs your help in planning for the new school year. If your child will be entering 1st grade or is older but will be new to our program, we would like to know. We are trying to organize our classes and teachers needed.

At this time we are also in need of teachers. Please pray about this calling, we need you!!

Please contact Sandy Madland at lyndelldairy@frontier.com or 608-393-2515 for new students or to talk about joining our teaching staff.

Heads Up!! Now that the country is getting back to a new normal, we at St. Mary's have made the decision to make the transition to using hymnals. Beginning the weekend of August 7 & 8, hymnals will be available at the back of church, as well as worship aids. If you desire a hymnal, please pick one up before Mass, but please return it to the table as you leave.
