THE BABY JESUS STARTS TEETHING

Miracles in our life

As we step into the second week of ordinary time, The Universal church invites us to pay attention on the Unity prayer week (18th – 25th January) observed every year. The theme for this year is "We saw the star in the East, and we came to worship Him" (Mt 2:2). The prayer week will come to an end with the feast of conversion of St. Paul the Apostle on January 25th.

The gospel this weekend highlights the theme of wedding at Cana, A familiar text, first miracle performed by Jesus (John 2: 1-11).

What is a miracle? A number of definitions and explanations are given by scientists and spiritual writers. Traditionally understood, a miracle is a supernatural sign or wonder, brought about by God, signifying His glory and the salvation of mankind. As a sign, a miracle is perceived by the senses and makes present the supernatural order, God's governance of nature, and His loving plan of salvation. Miracles are a call to faith.

Miracles are learning experiences for us. They point to something that God wants us to know or believe about Himself and His loving plan of salvation. If it is so, what do we learn from today's miracle, wedding at Cana? Some of them are,

Lesson 01 – NOTHING IS IMPOSSIBLE WITH GOD

Lesson 02 – GOD'S PRESENCE MAKES OUR LIFE COMPLETE

Lesson 03 - POWER OF MARY'S INTERCESSION

Miracles are still happening in our world today. We just need to be expectant and open to his power.

As per Brian Jones, there are two types of miracles,

- **Instantaneous miracles and**
- **Perseverance miracles**

As per him Instantaneous miracles are kind of miracle is where God supernaturally removes or resolves a problem, like when someone is physically ill and God removes the sickness. For him it is, "instantaneous miracles" because they happen in a moment's notice.

The second kind of miracle is the kind where God chooses not to supernaturally remove or resolve a problem. Instead, God gives his ongoing, miraculous strength to us to enable us to persevere through the problem. This kind of miracle happened routinely in the Bible and it still happens as frequently today. For him it is "perseverance miracles" because the "miracle" does not occur instantly.

Let's be thankful to God for the miracles we experience in our life and others. Let those miracles be the source of strength in deepening our faith.

On January 22, 1973, the Supreme Court legalized abortion throughout the United States in its companion decisions Roe v. Wade and Doe v. Bolton. Since that time, millions of children have lost their lives, and millions of women and families have been wounded by abortion. *9 Days for Life* is a novena for the protection of human life. Each day's intention is accompanied by a short reflection and suggested actions to help build a culture of life. Go to <https://www.respectlife.org/9-days-for-life> to learn more and participate. There are also a few printed copies of the novena in the vestibule. It starts this Wednesday, January 19!

Congratulations Nate & Liz Lochner!

Nate and Liz were married at St. Mary's on Saturday, December 11th.

May the Holy Spirit richly bless your marriage and fill you both with His abundant love. Through the grace of the sacrament, may God deepen your love for each other and the Church.
