## **A Note From Fr. John**

Tempus fugit! (Time flies) How true that has been. We have come to the end of the school year. For many students I am sure it couldn't come fast enough. But what a year of learning back in the classroom. Funny how we once took that for granted. For our eighth graders that means moving on to High School, a whole other adventure that awaits them. How grateful I am to our staff at St. Patrick. To all of our parents and those who have supported us throughout the year.

Summer vacation! Parents, what memories do you have of summer vacation growing up? Was it trips, camping or pulling weeds in the garden? For our students, what are you looking forward to this summer? Summer/sports camp, tournaments or more screen time for video games? Summer of course invokes images of rest or setting aside schedules to enjoy being outdoors with family and friends.

Memorial Day is considered by many to be the official kickoff day of summer. That is a happy moment and thought. Yet Memorial Day is set up to recall or mourn those who have died serving our country. There will be Mass at 8 am at St. Patrick parish on that day. At the different cemeteries there will be services offered also by the military, VFW and American Legion.

Summer also gives us time to do something we can't always fit into our busy schedule. Tuesday, May 31st, is a Happy Holy Hour at State Street Tap. If you have not been to one, stop in. The first half hour is food and fellowship then moving into the backroom we have our intentional discussion on a topic of faith. If you have joined us before, come on back and bring a friend. Or perhaps a trip to the Shrine of Our Lady of Guadalupe in La Crosse is an option for your family to pray in a new place allowing Mary to point you to her Son Jesus.

Perhaps summer can be that time to get out of doors and see the beauty of creation. For some, being outside is a time for prayer. If you are out for a walk, take your rosary. Or at the beach some reading could include the lives of the saints. Using your Kindle, no one would even know! Taking time off or away is a good way to recharge the batteries, but don't take off from Jesus. We need Him more now than ever; no matter the season.

Perhaps thoughts of summer make you smile, hope these do too!

–A shrinking man rushed to the doctor's office. Skipping ahead of everyone waiting, he begged "Doctor! Doctor! I need help, I'm shrinking." The doctor calmly replied, "Well, then, you'll just have to be a little patient."

–As I suspected, someone has been adding soil to my garden. The plot thickens.

–What is gray and has four legs and a trunk? A mouse going on vacation.

–Why do worms make the best gossip columnists? Because they know where to go for good dirt

–What do you call a goat with a beard? Goatee.

–Did you hear about the two antennas that got married? I heard the reception was amazing.

–What did the shy pebble wish? To be a little boulder.

–How often should a person make chemistry jokes? Periodically.

Fr. John Potaczek
