A Message from Fr. Cryton...

We are called to be Participatory Church

The fourteenth Sunday of the ordinary time invites us to reflect on the theme of our involvement in the mission that has been entrusted to us through our Baptism. Gospel of today tells us that Jesus sends seventy two disciples for a special task. We too are called to take part in the mission that demands today.

It is a fitting theme as I step into St. Mary's Parish, Lyndon Station as the new parochial Administrator for a new beginning. Even Jesus needed the Apostles and other disciples as collaborators to carry out his mission entrusted by the Heavenly Father. I wish the parishioners of St. Mary's will be a model for the participatory church involving in building up faith community in the parish.

Here are some Blessings of getting involved in the mission of the church,

1. It helps us to grow in the relationship with Christ: When someone serves in a group, he or she is surrounded with other believers that can encourage and strengthen his or her walk with Christ. They are hearing and seeing the Gospel lived out. More than half of the Ten Commandments deal with Loving People, and there are countless passages that instruct us as believers to serve one another.

2. It helps us to discover our purpose and feel fulfilled: When you serve and give up your time and energy for someone else, you get emotionally and spiritually recharged. It gives more meaning to your life as a servant of Christ. Even other volunteers have the opportunity in your environments to literally find purpose and meaning. They too find fulfillment in putting the needs of others above themselves.

3. It helps us to use our skills and talents for the Kingdom: Each one of you have an incredible skills, talents, and abilities. Most of you are involved in various jobs that for one reason or another aren't allowing you to use all the gifts you have. But find a way to make use of them for the Lord.

WHATEVER WE DO IN THE LORD'S SERVICE SHOULD BE FOR THE LORD'S SAKE; IT SHOULD BE FOR HIS SATISFACTION, HIS HEART'S DESIRE, HIS HAPPINESS, HIS GOAL, HIS PLEASURE AND HIS GLORY.

A Few Announcements.

We are called to be the participatory church. More involvement in the parish activities will pave the way to grow in every aspect of our parish life.

1. The second weekend of the month (9th & 10th July), Ladies Sodality members will address the congregation of the weekend masses, about their society and their activities in the parish.

2. The Knights of Columbus is a faith & service based organization, serving the needy throughout the country very effective way. Steve Hesprich a Grand Knight from St. Pat's, will address our parish community on 4th weekend of this month (23rd & 24th July) with the intention of starting a Knights of Columbus group in our parish.

3. Please return the question sheet that you will receive by mail, with your valuable suggestions, by Sunday the July 17th. (You may drop it in the suggestion Box that will be kept at vestibule of the church).

4. I am planning to meet the parish community (all those who are wish to take part), for the future planning of the parish, on Sunday the 31st July at 5pm at our parish hall. Keep the day and the time free.
