## A message from Fr. Cryton

### **Invitation for Holy war**

The Gospel of this weekend creates a shock and makes us frightened because of the harsh words used by Jesus. **“Do you think that I have come to bring peace to the earth? No, I tell you, but rather division! I have come to set the earth on fire.”** Scholars tell us that Jesus is speaking here not about the purpose of his coming but about the inevitable consequence of his coming. Let's go deep into the Gospel and learn some lessons today.

**Fire in our lives:** “Fire!” Fire can do many different kinds of things. Fire can make something strong; that is why we put pots on fire. Fire can make something soft; that is why we put a piece of iron into the fire, it turns red and then you can bend it. Heat piece of wood and you can bend it too. Fire gives us light... as in candle, kerosene lamp or electric bulb. Fire takes away pain. If you have sprained ankle or swollen hand, put it close to the fire. Heat helps the pain to go away. But do not play on fire it can destroy you and your property.

The message of Jesus is like a fire because it changes, it purifies and refines us. This message of Jesus makes us loyal to Him. Our faith is not like a dress that if we don't like it anymore we give it to somebody or throw it away. Faith is a way of life; it is our own identification card that we constantly profess in our lives.

**Danger of Instant Salvation:** We are living in the age of secularism and materialism. It is characterized by an attitude of having things easily and immediately. The market is flooded with instant commodities: instant coffee, instant soup, everything is instant. The danger of instant things is to think also of instant salvation. We can be thrown into the devil's trap of bringing ourselves away from the difficult commitment of faith and the sacrifices it entails.

**Holy War:** As per Munachi Ezeogu, there is a perpetual conflict, a state of war, between the two groups, as one group strives to raise the world up to God and the other to pull it down to hell. These two groups do not exist in two different parts of the world. Rather they live side by side in the same neighborhood, they live together under the same roof, and in fact the forces of good and evil often exist together in the same person. The holy war to which Christ calls us, therefore, is not a war against people of certain nationalities or cultures, creeds or ideologies, but a war in which we first have to identify the forces for evil in our own persons and in the persons of those who are dear to us (father, son, mother, daughter, mother-in-law, daughter-in-law) and then declare an uncompromising war against these forces.

**Seven Deadly Sin – Our Enemy:** Let's start the war first against the Seven Deadly Sins: Pride (superiority complex), Covetousness (greed, seeking material prosperity at the expense of one's soul), Lust (sexual abuse of minors, pornography, and treating women as objects of pleasure), Anger (animosity, bitterness, and hate), Gluttony (unnecessary eating and drinking), Envy (self-hate, rivalry), Sloth (seeking success without working for it). To these we can add the mother of all evils, injustice. If we declare war against these then we are fighting a holy war.

### **A few announcements,**

### Fun Facts By Deacon Tom :)

Welcome Back! So if The Sacrament of Baptism Cleanses; and the Sacrament of Confirmation strengthens; then the Sacrament of Holy Eucharist feeds. The Eucharist is the spiritual food needed to feed and support our soul.

We know this Sacrament by several names: The Eucharist, Holy Mass, the Lord's Supper, The Liturgy. Whatever name we use it all boils down to the same reality. We receive the Real Presence of Our Lord Jesus Christ!

For this Sacrament to be valid the Sacrament must consist of unleavened wheat bread and grape wine. Only the words of Consecration of the Bread and Wine must be used.

What is the meaning of transubstantiation? Our Catechism #283 says:

"Transubstantiation means the change of the whole substance of bread into the substance of the Body of Christ and of the whole substance of the wine into the substance of his Blood." Receiving the Real Presence of our Lord and Savior separates us from other Christian religions.

So the Sacraments of Initiation are Baptism which cleanses, Confirmation which strengthens, and the Holy Eucharist which feeds. Next week we will start to look at the sacraments of Healing. Do you remember what they are?
