A message from Fr. Cryton

The Role of Music in the Liturgy

This weekend we celebrate Corpus Christi, The solemnity of the **MOST HOLY BODY AND BLOOD OF CHRIST**. I continue to reflect with you, our role in the Liturgy as we commemorate June as the Month of Ministries. This weekend we are focusing on the role of music in the Liturgy. Let me share some reflections taken from the sermon of Bishop Brewer.

1. Music teaches us the Gospel: Hymns and spiritual songs take our faith and compact it. In fact, the melody and phrasing of the music makes our faith memorable. Before we hear a word of scripture read or preached in the service, we've already taken in page after page through our singing. Hymns and other forms of music instruct us in the Good News, touching our hearts as well as our minds.

2. Music connects us to God in unique ways: In many ways, singing allows for a direct connection with God in ways sermons can't or don't. It allows a part of our hearts to speak to God in a way that doesn't happen as we hear the spoken word. When we sing alone or together, something awakens not only in the heart of each person but also in the collective heart of the body of Christ, connecting us to each other and to God in the deepest part of who we are. Singing as a part of Christian worship is so much more than mere mental exercise. God created us to communicate with the very depths of our spirit, and singing is a way we can accomplish this in a profound and meaningful way.

3. Music allows us to express our love to God with our whole Being: Singing is one of the ways in which we express our love towards God with our whole being. We engage every part of our being in worship to God. Worshiping through music changes and transforms us. It inclines our hearts to God in ways other forms can't accomplish. Worship strengthens us, convicts us, builds us up, and even restores us. In other words, when we sing and devote our whole selves to God, something godly happens within us.

4. Music as worship fulfills God's Command: Throughout scripture, we're commanded to sing. Within the Psalms, "Sing praises to the Lord with the lyre, with the lyre and the sound of melody!" (Psalm 98:5); and "Serve the Lord with gladness! Come into his presence with singing!" (Psalm 100:2). God calls us to sing praise to the Lord and to sing in his presence. The New Testament affirms this call. Paul urged the Ephesians (and us) to "be filled with the Spirit, addressing one another in psalms and hymns and spiritual songs, singing and making melody to the Lord with your heart, giving thanks always and for everything to God the Father in the name of our Lord Jesus Christ" (Eph. 5:18-20).

The Role of a Choir: Fr. Piero Lazzarini says, every effort must be made to ensure that the Christian people take part in liturgical celebrations **"FULLY, CONSCIOUSLY, ACTIVE-LY"** so that the celebrations may be also spiritually **FRUITFUL**. Ministry means **SERVICE**. Therefore, the Choir is at the service of the Congregation, the people of God. Its purpose and task are to lead and help, to animate and support, to encourage the full participation of the congregation.

The primary task of the choir is to lead, to guide, to **ENABLE** the whole assembly to celebrate and sing the praises of God. Let them not forget the verse of that Psalm: **"Not to us, O Lord, not to us, but to your name give the glory!"** This should be the **MOTTO of every serious, mature, faith-full choir!**

Throughout the month of June we'll highlight the different ministry roles at Mass. Lector, ushers, choir members, and altar servers. You can sign up for these roles on the sign-up sheet in the vestibule or contact the parish office. Thank you!

Did You Know/ Tour of the Church

If you look in the back corner of the Church by the restrooms, you will see a statue of St. Boniface. His Feast Day is June 5th. He is deemed the "Apostle to the Germans." Patron Saint of brewers, and tailors. Boniface was an English Benedictine monk who gave up being elected abbot to devote his life to the conversion of the Germanic tribes. In order to restore the Germanic Church to its fidelity to Rome and to convert the pagans, Boniface had been guided by two principles. The first was to restore the obedience of the clergy to their bishops in union with the pope of Rome. The second was the establishment of many houses of prayer which took the form of Benedictine monasteries. A great number of Anglo-Saxon monks and nuns followed him to the continent, where he introduced the Benedictine nuns to the active apostolate of education.

Boniface bears out the Christian rule: To follow Christ is to follow the way of the cross. For Boniface, it was not only physical suffering or death, but the painful, thankless, bewildering task of Church reform. Missionary glory is often thought of in terms of bringing new persons to Christ. It seems—but is not—less glorious to heal the household of the faith.

Boniface was made Archbishop of Mainz by Pope Zachary III in 747. In 754, he landed in Freisland (Holland) with a large group of over thirty-seven missionaries. Savagely set upon by the Freisens, he and most of his companions were martyred. He lifted a Bible toward his attackers and was killed by a thrust through it with a sword. That is why he is represented by a book pierced by a sword and dressed as a Bishop. -Deacon Tom
