A message from Fr. Cryton

Hearts on Fire, Feet on the Move

We are in the 29th Sunday in the Ordinary time. The Universal church invites us to celebrate World mission Sunday today. The Society for the Propagation of the Faith, one of the four Pontifical Mission Societies was founded by French laywoman **Blessed Pauline Jaricot in 1822**. She planted the seed for what today is the World Mission Sunday Collection by asking her friends to pray daily and donate a penny a week for the missionaries working on spreading the Gospel to all nations. Let me share part of Pope Francis' message for this day. **Dear brothers and sisters!** For this year's World Mission Sunday, I have chosen a theme inspired by the story of the disciples on the way to Emmaus, in the Gospel of Luke (cf. 24:13-35): **"Hearts on fire, feet on the move"**. Those two disciples were confused and dismayed, but their encounter with Christ in the word and in the breaking of the bread sparked in them the enthusiastic desire to set out again towards Jerusalem and proclaim that the Lord had truly risen. In the Gospel account, we perceive this change in the disciples through a few revealing images: their hearts burned within them as they heard the Scriptures explained by Jesus, their eyes were opened as they recognized him and, ultimately, their feet set out on the way. By meditating on these three images, which reflect the journey of all missionary disciples, we can renew our zeal for evangelization in today's world.

The urgency of the Church's missionary activity naturally calls for an ever-closer missionary cooperation on the part of all her members and at every level. This is an essential goal of the synodal journey that the Church has undertaken, guided by the key words: **communion, participation, mission**. This journey is certainly not a turning of the Church in upon herself; nor is it a referendum about what we ought to believe and practice, nor a matter of human preferences. Rather, it is a process of setting out on the way and, like the disciples of Emmaus, listening to the risen Lord. For he always comes among us to explain the meaning of the Scriptures and to break bread for us, so that we can, by the power of the Holy Spirit, carry out his mission in the world.

Just as the two disciples of Emmaus told the others what had taken place along the way (cf. Lk 24:35), so too our proclamation will be a joyful telling of Christ the Lord, his life, his passion, his death and resurrection, and the wonders that his love has accomplished in our lives.

So let us set out once more, illumined by our encounter with the risen Lord and prompted by his Spirit. Let us set out again with burning hearts, with our eyes open and our feet in motion. Let us set out to make other hearts burn with the word of God, to open the eyes of others to Jesus in the Eucharist, and to invite everyone to walk together on the path of peace and salvation that God, in Christ, has bestowed upon all humanity.

Did You Know/Tour of the Church By Deacon Tom

Did you know that the "incense thing" has a name? The "incense thing" is called a Thurible the smaller container that holds the incense is called a Boat and did you know that the person who carries the thurible is called a Thurifer.

In liturgy, incense is used to symbolize the act of purification and sanctification. We incense people and things that we want to make and keep holy by our prayers. The smoke, as the psalmist reminds us, is a sign of prayer rising up so the blessing can come down. Frankincense is used to burn in a thurible. Frankincense is a natural, aromatic resin from Boswellia trees. Frankincense was one of the gifts that we presented to Jesus by the magi at the time of his birth
