Stewardship Bulletin Announcements September 29, 2024 Twenty-sixth Sunday in Ordinary Time NM 11:25-29; PS

19:8, 10, 12-13, 14; JAS 5:1-6; MK 9:38-43, 45, 47-48 In our readings this week, Eldad, Medad, and the man driving out demons were all doing God's work. They had been entrusted with a gift and used it to glorify the Lord. For instance, Eldad and Medad used their gift of prophecy to spread God's word, and the man driving out demons used his gift of healing to alleviate suffering. Joshua and John should have responded with joy and appreciation for each other's gifts and talents. We often see others' strengths as our weaknesses in parish life, the workforce, or even our families. Jesus calls us to remove sinful thoughts and attitudes from our lives. The next time we witness someone being a good steward of God's gifts — rejoice! And continue to examine how you use your gifts and talents. Take time for self-reflection and ask yourself, 'Am I using my gifts and talents to the best of my ability? Am I being a good steward of what God has entrusted me?' We do not want to end up like the rich in our Second Reading from St. James. They stored up their riches to the point where they withheld wages from their workers! They clenched tightly to the pleasures and luxuries the world offers and put them in front of God and their neighbor. They misused the gifts God bestowed on them. We must keep this in perspective as we journey as Christian stewards. We do not live for this life but for the next. He has given us time daily, countless talents, and numerous treasures. Are we using them for His glory? This week, when we witness other people in our lives using God's gifts, instead of becoming jealous or critical, let's take a moment to reflect on what God has gifted us and how we can offer it to Him for His glory. This introspection can help us understand our purpose and contribute to the community.

Youth Leadership Retreat: We are excited to offer a Youth Leadership Retreat at Crosswoods Camp in Mason, WI the weekend of October 25-27, 2024. One of the most important things we can do in youth ministry is to teach, train, and encourage our young people to use their God-given gifts for Him. While they are the future of the Church, there are also, very much, the present and now is the time to invite them to be part of our Church now. Too often we see our young people get Confirmed, then leave. This is our opportunity to say, "Wait! There's so much more!" and "We need you!" This leadership retreat will be a time for you to work with your young people to help them understand how to identify and use the gifts and talents God has given them, and make a plan for how they can use them in your parish. Please have your youth and chaperones register for this retreat using this link: <https://argentasoftware.com/interfaces/49870/portalParticipant/frmLogin.aspx?TeamID=49884>

A Minute with Jesus: The Eucharist strengthens our love for our neighbor

In reading the life of any saint, we see clearly that they "constantly renewed their capacity for love of neighbor from their encounter with the Eucharistic Lord" (Pope Benedict XVI's encyclical "God is Love"). When we receive Jesus in Holy Communion, He strengthens us with His Divine power to seek to live with charity toward every person that we meet. We cooperate with this power – His grace – by asking for His help as we encounter any situations, particularly difficult ones. In continuing to seek to live with love, we become more and more the person that God created us to be. Let's pray this right now and every day this week: Jesus, as I receive You in Holy Communion, help me to see You in every person I meet and give me Your love for them in my heart.

This week read 1 Corinthians 13:1-13 which concludes with: "These three remain: faith, hope and love. But the greatest of these is love."

Do you feel called to be a Deacon? The deacons of the Diocese of La Crosse seek to live their vocation as humble images of Christ the Servant. They are mostly men with wives and families. They have had, and often continue to have, active careers. Before they began their formation toward the diaconate, most were already serving their parishes as dedicated members of the laity. The Church needs more servant leaders. The Church needs more deacons. If you are think that God may be calling you to this ministry, now is the time to inquire and explore. Contact me now to discuss the formation process and get more information for our upcoming Discernment Retreat which is required for entry into the program.

Oct. 1 Movie Showing 6pm In St Bridget's Hall: "Unplanned" is the inspiring true story of one woman's journey of transformation. All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upwards of 22,000 abortions and counseled countless women about their reproductive choices. Her passion surrounding a woman's right to choose even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in. Until the day she saw something that changed everything, leading Abby Johnson to join her former enemies at 40 Days For Life, and become one of the most ardent pro-life speakers in America. *[Suitable for teenagers and older]*
