

Attendance

All children are expected to be in attendance for each Wednesday's CCD Class unless they are ill or have a family emergency. Please contact your child's teacher or Sandy Madland (608-393-2515) before 6:00pm the day your child will not be attending CCD. This courtesy will help make sure all children are where they should be and are safe.

Students should miss no more than 3 CCD classes per year. Should a child miss more than 3 classes, due to extreme circumstances or extended illness, parents are to notify Sandy Madland so that special religious educational arrangements can be made.

MASS ATTENDANCE IS VERY IMPORTANT- Weekly mass attendance will help your child be successful and confident in learning about our faith. It is also an important way to make your child feel welcome and comfortable as a part of our parish family.

Each month there will be a CCD mass (the 3rd Wed of the month). This mass gives the students an opportunity to be a lector, server, musician etc. We encourage all parents to attend these masses with us.

Cancellations

If there is inclement or frigid weather, CCD classes may be cancelled. Parents will be notified by their child's teacher by phone or text message. If Mauston or Wisconsin Dells schools are closed or have a bad weather early release, there will be no CCD. If you are in doubt of class cancellation, give your child's teacher or Sandy Madland a call.

Arrival and Dismissal

CCD classes begin promptly at 7:00pm. and end at 8:00pm. Please do not send your child before 6:45pm as our teachers need quiet time to prepare lessons. Please come promptly at 8:00pm to pick up your child; during the winter the wait can be very cold.

Phone Availability

There is no longer a phone in the basement of church. If you must contact your child or child's teacher during CCD, please call Sandy Madland at 608-393-2515.
